

# Fiche technique

09/07/2015

## Properties:

**Fantasy Prisme** are the new honeycomb effect colours that have been developed by PEBEO. A range of original colours that give your creations a precious and quality aspect with a professional finish.

With the 28 solvent-based **Fantasy Prisme** colours, you can obtain fabulous effects on flat and horizontal surfaces.

**QUALITY:** Solvent-based, ready to use colours. Good resistance to light.

**DRYING FOR A THICK APPLICATION:** to the touch in 6 hours, completely dry in 72 hours.

**SURFACES:** its precious aspect is ideal for the creation of jewellery and the decoration of all surfaces: Glass, mirror, terracotta, acetate, ceramic, canvas, metal, wood...

**DILUTION :** Odourless Mineral Spirit or White Spirit.

Cleaning the paintbrush: Odourless Mineral Spirit or white spirit then rinse with soapy water.

**OPACITY:** opaque colours.

**FINISH:** Glossy.

**MAINTENANCE (DECORATED SURFACES) :** Once dry, the colours resist to a light wash without soaking. Do not machine wash.

**NUMBER OF COLOURS:** 28 colours.

**CONDITIONING:** 45ml bottle – all colours.

## Application and Helpful Hints

- Stir the colours thoroughly with a stick before use.

The **PEBEO Fantasy Prisme** colours:

- Can be applied using a dropper, a brush (ex: **Pébéo Aqua** round or **Pure Sable** by depositing the colour without pulling on it), or by pouring directly from the bottle on a flat and horizontal surface in a thick coat on a carefully degreased surface.
- Can be used with the **VITRAIL** cerne relief with nozzle.
- The use of the **VITRAIL Sparkling Medium** adds glittering effects.
- The **Fantasy Prisme** colours used on fresh Vitrail colours give «surprising» effects.
- The effect obtained when drying depends on the thickness of the application.
- To add a rounded effect to your creations, use the **Gédéo Glazing resin** over very dry **Fantasy Prisme** colours (48 hours minimum).
- The objects decorated with the **Fantasy Prisme** colours must be considered uniquely as decorative objects and only surfaces that are not intended to be in contact with food can be decorated.

- Keep out of reach of children. If swallowed get prompt medical attention and show the packaging or label.

Fantasy Prisme : ightfastness (exposed to UV Rays for 2 month 24hr/24hr)
